

## **PUBLIC NOTICE**

The Norfolk Wetlands Board will convene a public hearing on Wednesday, October 13, 2004 at 2 p.m. in City Council Chambers, 11th Floor of City Hall to consider the following permit applications:

**A. Marine Hydraulics Incorporated - #O4-1984-W**

Location: Lamberts Point on the Elizabeth River

Project: Construction of an approximately 24' X 510' concrete bridge to access a drydock facility and alter approximately 5,300 square feet of vegetated wetlands.

**B. David Alan Wroton - #O4-2043-W**

Location: 8429 Norristown Drive on Little Creek

Project: Construction of approximately 58 linear feet of bulkhead with 20' and 35' returns, 40 linear feet of marsh toe protection, and a fixed pier and floating docks to alter approximately 320 square feet of nonvegetated and 200 square feet of vegetated wetlands.

All interested parties are invited to attend the hearing and offer comment. Written comments to be entered into the official record may be presented during the hearing or directed to our office prior to the hearing date.

Applications may be examined in our office between the hours of 8:30 a.m. and 5 p.m. If you would like additional information or if special assistance for the handicapped is required, please contact our office at 664-4368.

Edwin L. Rosenberg  
Manager, Environmental Services
